

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 1577 - SB 2447

June 2, 2020

SUMMARY OF ORIGINAL BILL: Requires a magistrate imposing global positioning monitoring on a defendant as a condition for bail for an offense involving domestic violence to inform the victim of how to obtain a copy of the defendant's conditions of bail, including geographic restrictions.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (018098): Deletes all language after the enacting clause.

Authorizes a magistrate to order the use of a global positioning monitoring system in lieu of requiring bail for a defendant.

Specifies that the defendant's presence in a location in which the magistrate prohibited is a violation of the conditions of bond and may result in revocation of the defendant's bond.

Effective October 1, 2020.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Specifying that the defendant's presence in a location in which the magistrate prohibited is a violation of the conditions of bond and may result in revocation of the defendant's bond is not expected to have a significant impact on total violations; therefore, there will not be a significant impact to state or local expenditures, as a result.
- Any impact to the court system is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink that reads "Krista Lee Carsner". The signature is written in a cursive, flowing style.
